EDUCATION

- **University of Toronto** — Toronto, Canada
  Honors Bachelor of Arts ; GPA: 3.2 / 4.0 — *Sep. 2017 – Jun. 2021*

PROGRAMMING SKILLS

- HTML, CSS, Javascript, React.js, Redux, Bootstrap, Tailwindcss, Material UI, Sass, Node.js, Next.js, Git

PROJECTS

Admin panel - Lemonadmin — Ongoing
React.js, Sass and Material UI — *https://lemonadmin.netlify.app/*
- Utilized **Sass/Material UI** and **React.js** to implement the front-end App UI design of an e-commerce application.
- Routed from client side by employing **React Router** to enable faster and dynamics user experience.
- Created **CRUD** operations to fetch local-stored data with queries.

YouTube Clone Application — Jul 2022 - Aug 2022
React.js, Material UI and API — *https://metube4u.netlify.app/*
- Created modular, responsive elements using **CSS** technique of media queries and react library.
- Employed **Material UI** as front-end UI library, created visual components to achieve fluent and clear user experience.
- Integrated **YouTube API** to fetch YouTube data, and made asynchronous http requests with **axios** to intercept requests and responses.

To-Do Task — Aug 2022 - Sep 2022
React.js and ViteJS — *https://todolist234.netlify.app/*
- Developed a fully functional to-do app with creating CRUD operations using **React.js and ViteJS**.
- Created **react hooks** to store data in local storage for better manipulation on data structures.
- Used **CSS** to build modules of color-based theme switcher and dark/light mode as upgraded visuals.

Time Tracking Component(from FrontendMentor.io) — Aug 2022 - Sep 2022
React.js and Sass — *https://fem-timetrackingdashboard.netlify.app/*
- Translated UI designs to a responsive design page by utilizing **HTML, CSS** and **javascript**.
- Used **CSS** techniques of flexbox and grid layout to create responsive application across various size of devices.

CERTIFICATIONS

- **Foundations of User Experience(UX) Design**: Coursera
- **HTML, CSS, and JavaScript for Web Developers**: Coursera
- **Front End Development Libraries Certification**: freeCodeCamp

WORK EXPERIENCE

- **Ziyan Tea Corporation** — Toronto, Canada
  Tea Barista — *Sep. 2021 – Mar. 2022*
  - **Self-motivated, organized, and excels under pressure in a fast-paced environment of over 500 cups order per day.**
  - **Worked as part of a high level of attention-to-detail team and handled multiple tasks simultaneously.**
